Secure your commitment to overall health today!

BASIC CARE

\$40./month or \$480./year (\$600. value)

**Annual Naturopathic and Chinese medicine health evaluation & treatment plan
3 acute care appointments & 6 spa visits (foot spa & sauna)**

This package is intended for individuals who have good health, who wish to keep it that way with annual evaluations of what's going on under the surface and some tune-ups along the way. For pediatric patients, spa visits can be utilized by parents!

INTERMEDIATE

\$75./month or \$900./year (\$1150. value)

**Seasonal Naturopathic and Chinese medicine health evaluation & treatment plan
3 acute care appointments & 6 spa visits (foot spa & sauna)**

This package is intended for individuals who have mild symptoms and want to support the annual rhythm of their health with 4 quarterly Naturopathic and Chinese medicine evaluations and treatment plans. Ideal for individuals with low-grade or controlled health issues such as; allergies, headaches, intermittent digestive challenges, PMS, controlled autoimmune disease, cancer relapse prevention, and others.

TREATMENT FOCUSED PACKAGE

\$155./month or \$1860./year (\$2370. value)

**Annual Naturopathic and Chinese medicine health evaluation & treatment plan
Twice monthly treatment sessions (Acupuncture, Bodywork or Counseling)
Monthly spa visits with the foot spa and private sauna use.**

This package is suited for individuals who may be in optimal health but utilize their bodies intensively and want to keep things tip-top, such as; athletes, performers, dancers, yoga instructors, builders, farmers and those who know the personal value of routine care. It also serves patients who have chronic health challenges that know what they need. For example, ADD/ADHD treatment, emotional health with 5-element acupuncture or chronic pain. This is also the package recommended for macular degeneration treatment.

Holistic Health Memberships

COMPREHENSIVE HEALTHCARE

\$190./month = \$2280./year (\$3000. value)

Monthly comprehensive Naturopathic with Acupuncture appointments
Monthly spa visits - foot spa and private sauna use
6 Additional acute illness or injury appointments

This package is suited towards individuals with uncontrolled health challenges who are in need of comprehensive evaluation and treatment. This commitment will be necessary for successful treatment of conditions such as; menopausal transition, adrenal fatigue, infertility, digestive disorders, chronic fatigue, fibromyalgia, obesity, heart disease, diabetes.

This package serves as the foundation for natural cancer treatment support, chronic infectious disease treatment and chronic degenerative conditions such as Parkinsons, MS, auto-immune disease and dementia. However, more support may be necessary depending upon diagnosis and evaluation.

INTENSIVE TRANSFORMATION

\$430./month = \$1290./quarter (\$1710. value)

Monthly comprehensive Naturopathic with Acupuncture
Weekly treatment sessions (Acupuncture, Bodywork, Counseling)
Weekly spa visits - foot spa and private sauna use

This package is designed to help individuals who are ready to make dramatic changes to their health. Ideal for those with undiagnosed medical conditions, at a place of significant life change, extreme symptomology, chronic pain or addiction. This program serves as the foundation of our holistic mental health & addiction program as well as our weight loss program.

ALL PROGRAMS INCLUDE:

- 15% discount on additional appointments.
- Email and phone support with our holistic Doctor.
- Annual Membership – automatic payment with 12 month contract (Intensive=3/mo).
- We can customize any plan to meet your needs, budget, family and employee packages.
- Member discounts for special events, classes and other programs as well.

Schedule today and we'll get the right package created for you!
